

PAINTINGS

Phaeton's Floor II, Brian Curtis
Orlando City Hall

Florida Everglades, A. E. Backus
Orlando City Hall

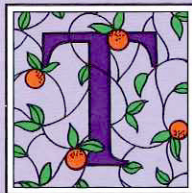

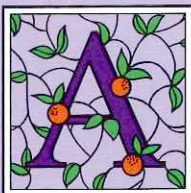

It is a celebration of the human spirit. Through the Orlando Public

Art program, we are using a dividend of our rapid growth to acquire significant pieces in a variety of media. In this

way, our continued community development is adding an important human dimension to the architecture of our urban landscape. We hope you enjoy the works on display. In a real sense, our exhibits celebrate Orlando's spirit a spirit of community achievement.

ORLANDO
PUBLIC

Sincerely,

Bill Frederick
